

## 1. What are your impressions after the first matches in the group?

**Marc Goetzinger:** We lost against Polish team that played with only five players in the second half. We should have won that game. The situation in the group is interesting. We won today against French team and that team beat the favorites in our group - University Beykent. Obviously, everything is possible in our group.

**Cyril Scherrens:** We finished first in the group so that's nice. Now we have to wait to see against who we are gonna play on Thursday.

**Viktoria Rajić:** In the beginning, we did not have big expectations but after two wins I think we can go to the end. We played both games like a team and I am happy because of that.

## 2. What is the biggest strength of your team?

**M.G:** We are a good squad. We are playing together for a long time and we know our tendencies. We support each other, today we almost dropped the lead. But even when we are not playing good basketball we still coming back no matter what.

**C.S:** I think we are a team of 12 guys who can play. We have a lot of rotation and that helps us to play good basketball.

**V.R:** Team game for sure.

## 3. How do you deal with the pressure of representing your country and university in this championship?

**M.G:** I don't really think there is a pressure because as a team we are not hot-headed, we don't get in the fights in the game and we just don't get in those situations. Basketball is what we do. We are trying to have fun while playing basketball and enjoy the experience.

**C.S:** Is not the pressure. Its pleasure to play for our country.

**V.R:** I am very honored to play for this team. Pressure exists but we know how to deal with it.

## 4. What does basketball mean for you?

**M.G:** After all injuries, I need to say that basketball is almost life.

**C.S:** The game that I love.

**V.R:** Basketball is life for me.

## 5. Favourite basketball club?

**M.G:** Houston Rockets since 2005.

**C.S:** Los Angeles Lakers

**V.R:** Croatian club, ŽKK Komletinci

## 6. Favourite player?

**M.G:** Tracy McGrady and James Harden.

**C.S:** Kobe Bryant.

## "We thought it would be harder"

**Julia Pöcksteiner from the University of Vienna after the victory against Mersin University**

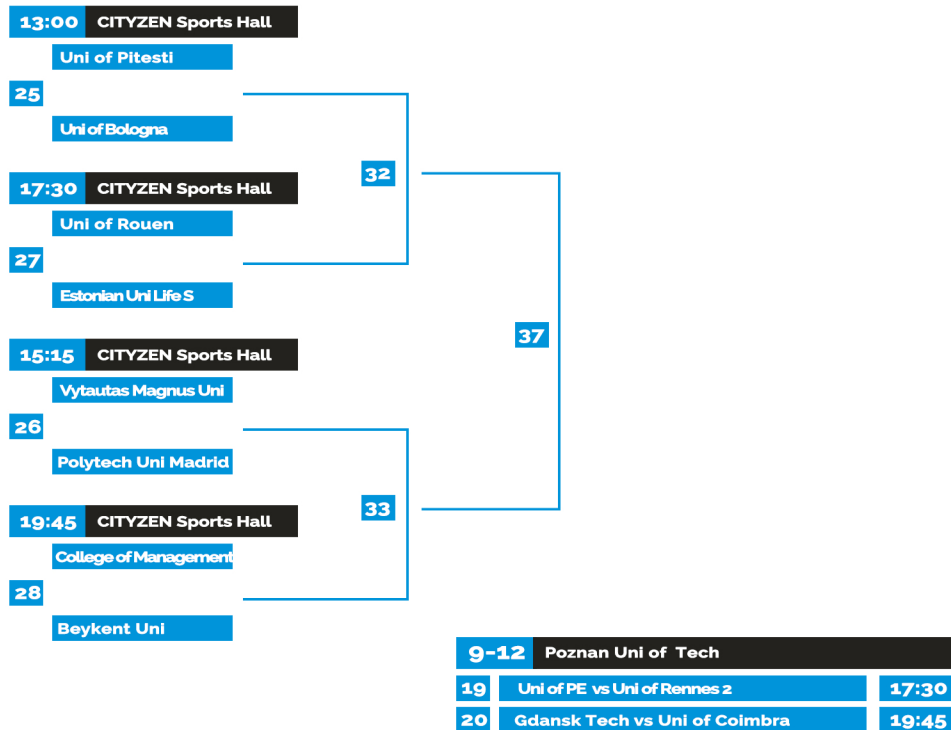

"We thought it would be harder. We came out strong and we did what we should do. We executed our plan and got the win and the group win as well.

We go step by step. Right now we have to prepare for the next game against Hungary so that we can defend our championship from the last year. We've seen them play today. It will be hard cause there are only 8 of us and we are already tired. But we're gonna do everything to win the game."

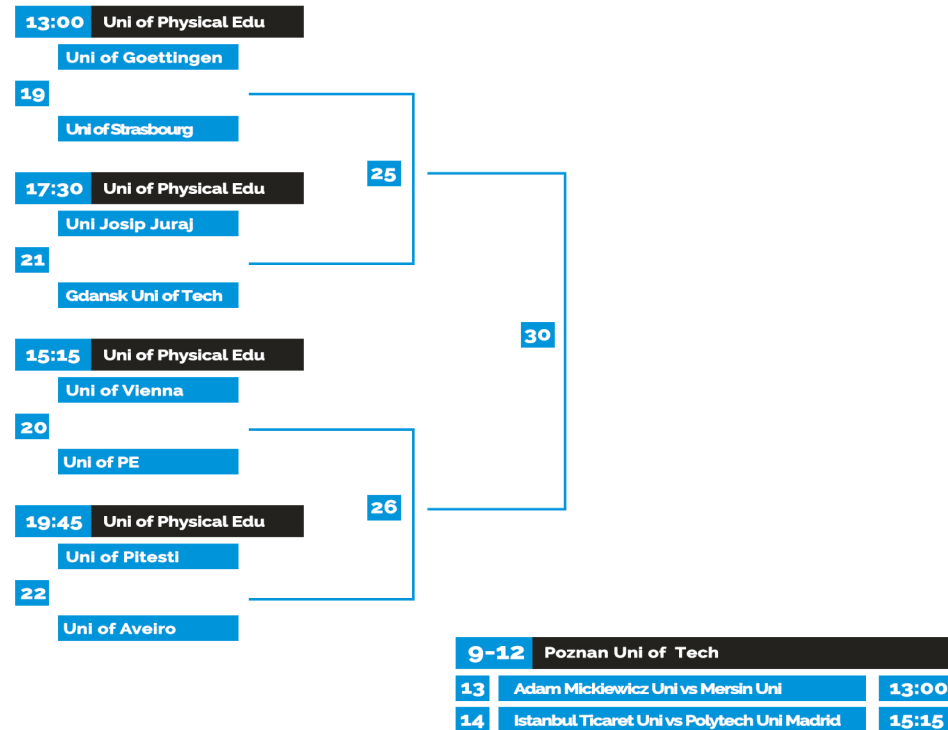

## Fatih Yucel (The coach of the Beykent University in Istanbul)

"We have already gone a long way in this tournament. We drew a tough group, everybody showed off some good skills and crave for the will. All the matches, were very demanding, but most importantly, we are happy that we managed to advance to the quarterfinal. We are silver medalists from the last year's European University Games so we are aiming at, at least, repeating this achievement in Poznan this year."
